

Product Ranges

Ormandy Group provides a wide range of products and services, delivered through its seven operating companies, as shown here.

Ormandy Offsite

Designers and offsite manufacturers of bespoke package plant rooms and skid mounted systems

Fire pumps sets / plantrooms

Packaged plantrooms

Packaged pump sets, Inertia base mounted pump sets

Packaged skid mounted equipment

Pipework assemblies

Pressure booster sets

Ormandy Electric

Industrial and commercial electric heating systems

Air heaters

Control panels

Flameproof heaters for air, fuel gas, oil & water

Flow heaters

Heater spares

Industrial immersion heaters

Solar vessels

Ormandy Rycroft

Commercial water heating equipment. Calorifiers, heat exchangers, thermal stores and pressure vessels.

Buffer vessels

Clean steam generators

Electric water heaters

Heat/consumer Interface units

Hydrophores

Maximiser Semi Storage high output calorifiers

Packaged plate heat exchangers

Plate and buffer packages & Evoplate

Plate heat exchangers

Pressurisation units

Shell & tube heat exchangers

Steam blowdown vessels / flash vessels

Steam condensers

Steam pressure reducing stations

Storage calorifiers

Thermal storage vessels

Unvented packages

Wash down packages

Ormandy Newade

Stainless steel pressure vessels and fabrications for the HVAC, Food and Pharmaceutical Industries.

Bespoke Commercial Fabrications
Stainless Steel

Bespoke stainless steel polished fabrications

Condensate pumping sets

Food quality jacketed & insulated process mixing vessels

Pharmaceutical manufacturing & holding vessels

Purified & WFI water storage vessels

Stainless steel calorifiers & buffer vessels

Stainless steel feed tanks & deaerator heads

Ormandy Hartley & Sugden
Boilers

Condensing Boilers

Norland and Norland Plus 95 - 1600 kW

Superior 120 - 1600 kW

Standard Efficiency Cast Iron Hot Water

Unvented calorifiers

Vented calorifiers

Ormandy Aquatherm

Plastic piping systems for plumbing, public health, mechanical services and fire engineering.

Ormandy Dreh

Copper and MHD Fittings, Soil and waste fabrications

Fresh water float assemblies

Marine High Duty fittings

Silver brazed fittings

Soil & waste fittings

Soil & waste float assemblies

Boilers

Commodore Plus 162 - 432 kW

Metrose E 406 - 1450 kW

Optimajor Plus 60 - 137 kW

Standard Efficiency Steel Hot Water Boilers

Calder 70 - 3500 kW

SCP 300 - 3000 kW

SCP Plus 3000 - 7000 kW

High Efficiency Steel Hot Water Boilers

Calder Plus 70 - 3500 kW

Steam Boilers and Accessories

Metropolitan 1845 - 21 700 kg/h

Savile Plus 380 - 5425 kg/h
